## Legal Disclaimer

The domain names listed on this site are privately and independently owned. This site, and any associated domain listings, are not affiliated with, sponsored by, or endorsed by any golf course, resort, brand, or organization whose name may be referenced within the domain names offered for sale.

All domains are offered as generic, geographic, or descriptive identifiers intended for branding, fan, informational, or commercial use by parties with legitimate interests in the name or subject matter. Ownership of these domains does not imply any endorsement or partnership with third parties, and no such claim is made.

The inclusion of domain names that contain terms associated with known locations or public venues (e.g., golf courses, cities, or natural features) is based on fair use principles, geographic relevance, and free market domain investment practices. We make no representations about trademark status or registrability for any buyer's intended use.

This site and its owner are not domain brokers, agents, or representatives of any third-party trademark or brand. Listings are offered in good faith, and no domain has been acquired or is being marketed with the intention of misleading consumers, profiting from brand confusion, or violating intellectual property rights.

Buyers are solely responsible for conducting all appropriate trademark, legal, and regulatory due diligence prior to acquisition. If you are a trademark holder and have concerns regarding a domain listed here, we encourage you to contact us directly to discuss in good faith.
